CALIFORNIA'S 85TH STATE FAIR OPENS AT CAPITAL

Day Is Dedicated To State Farm Bureau; Children Under Fifteen Years Of Age Are Admitted Free On Opening Day

SACRAMENTO (UP)—California's agricultural, industrial and mining wealth was placed on exhibition today as the 85th annual State Fair opened its gates to receive what officials predict will be the largest 10-day attendance in the history of the exposition.

Governor Culbert L. Olson formally opened the fair with a brief speech on the lawn in front of the main agricultural building. He was escorted to the speaker's stand by a group of state, county and city officials, led by the University of California's 100-piece band.

Opening day was dedicated to the state's children, California art and the California Farm Bureau. Children under 15 years were admitted free.

Immediately after the gates were opened, livestock judging in the junior division got under way in the main stock pavilion. Future Farmers and 4-H Club members, with more than 1200 animals entered, started inspecting swine and sheep preliminary to making the awards.

A banquet honoring members of the Farm Bureau from all sections of the state was scheduled for noon at Governor's Hall. Ray Wiser, of Gridley, president of the organization, was named chairman of the program.

A full afternoon program of entertainment was provided for patrons of the racetrack, with Louis Castellucci's Hollywood Symphonic Band supplying music. Between the races aerial acrobatics and vaudeville acts were presented on a stage in front of the grandstand.

The race card was featured by the \$1000 inaugural handicap for runners at one mile and 70 yards, three other running races and three harness events.

For the evening program a huge fireworks display had been arranged, followed by presentation of the California State Fair Vantages, a \$50,000 production staged in four episodes, and the classic horseshow.

Pioneers Trim Ghost Team

"Rubber" Game Between Clubs For Season Won By Locals, 14 to 8

The El Dorado Pioneers and the Colored Ghosts played "the rubber" of their softball series for the season Thursday night at Marcus P. Bennett, Jr. Memorial Park and the Pioneers won, 14 to 8.

The game officially closed the softball season.

The two clubs had met twice previously this season, each winning one game, so that interest in the Thursday night battle was especially keen among the players on the two teams.

The Pioneer pitchers, Ammons and Allen, were touched for a total of 11 hits by the Ghosts while the Pioneers gathered twelve hits off the two Ghost hurlers. The official box score fails to note a single extra base hit for the evening by either team.

DONNELL AND PARTNER START ENDURANCE FLIGHT

SACRAMENTO (UP)—Determined to set new endurance records, Ernest Clark, 27, Sacramento, and Robert Donnell, 21, Placerville, flying a light monoplane, were aloft today.

The youthful flyers set out at 11:20 a. m. yesterday to break the 10-day record for light planes and the 27-day unlimited class record. Refueling was accomplished through direct contact with the ground.

Mrs. E. C. Mather and son Everett, who have been visiting here for the past few days with relatives, Mrs. H. E. Hunsaker, cousin, and W. R. Coleman, uncle, left on Wednesday morning for their home at Vancouver, Washington.

A Tennyson Engaged

Great grandson of Lord Tennyson, one of England's most revered poets, Penrose Tennyson, 26, is pictured with his fiancée, Nova Pilbeam, 19, at a Hyde Park open-air luncheon in London. She is well known as a child screen star and has appeared in several pictures shown in the United States.

\$9,488 PAID IN AAA PROGRAM

158 County Ranchers And Range Operators Participate In Plan

Compiled figures indicate that El Dorado County farmers and range men received \$9,488 in payments for the year 1938, announced Geo. H. Volz, chairman of the El Dorado County Agricultural Conservation Committee.

These benefit payments were made to approximately 158 co-operating ranchers for carrying out their part of a contract with the government for the purpose of maintaining soil fertility, preventing erosion, development of stock water on the range and a number of other such practices included in the program.

The year 1939 shows a satisfactory increase in participation in the program by farmers and stockmen of the county; particularly in the range conservation program. These farm improvement programs are open to all farmers, whether an orchardist, grain grower, stockman or other producers using the land as a means of obtaining a living.

It is expected that the 1940 program will be explained to farmers at local meetings soon to be held soon throughout the state. This will give farmers desiring to cooperate with the government, a chance to work out their schedule of operations well in advance of the planting season, and enable them to comply with the provisions of the program.

Jerry Kladiwa Assigned To Georgetown Post

Jerry Kladiwa, formerly stationed on the Clark National Forest, in Missouri, has been assigned to Georgetown Ranger District on El Dorado Forest and began his duties Thursday.

Kladiwa will be assistant to Ranger Frank McCaslin, succeeding Leo Slattery, who recently was advanced to a ranger ship and assigned to Plumas Forest.

Jerry explained to his newly made friends at the forest headquarters on Thursday that his name is pronounced with the accent on the first syllable.

Shasta Dam Contracts Let By Ickes

WASHINGTON (UP)—Secretary of Interior Harold L. Ickes has awarded three contracts totaling \$196,257 for rails and track necessary to re-locate 37 miles of the Southern Pacific Railroad around Shasta Dam, Calif. The largest contract was to the Colorado Fuel and Iron Corp., Denver. \$172,593, to furnish 3,422 tons of rails, tie plates, tracks and spikes.

Mr. and Mrs. Peter A. Pilatti, of Diamond Springs, are the parents of a daughter, Margaret Anita, born on August 28 at Placerville Sanatorium.

600 PUPILS IN H. S. SEEN

Enrollment Up To Noon Totals 492; Classes Start Tuesday Morning

A total enrollment of six hundred pupils was predicted by county high school officials at noon as pre-school registration mounted to 492.

Classes will begin Tuesday morning. Registration opened Wednesday morning and continued through Thursday, with a special evening period from seven o'clock to nine o'clock.

Officials said they expect that at the close of the pre-school registration at 4 o'clock this afternoon, a total of about 540 will have been enrolled and that "with the usual percentage of late comers," enrollment will reach six hundred.

Of the four hundred ninety-two enrolled up to noon, there were one hundred forty-six freshmen; one hundred forty-two sophomores; one hundred eight juniors and ninety-six seniors.

The opinion was expressed that the senior and the freshman enrollment are "about what was expected" and that the majority of pupils yet to be enrolled would be in the second and third year classes.

Peace For U. S., F. R. Hopes

Ambassador To Germany Formally Resigns; President Cautions Press

WASHINGTON, (UP)—President Roosevelt said today that he hopes and believes the United States can stay out of war.

Mr. Roosevelt announced that Tugh R. Wilson, U. S. Ambassador to Germany who was recalled last year, resigned today and his resignation was accepted.

With Secretary of State Cordell Hull sitting beside him, the President authorized a direct quotation of his belief that this country can avoid war.

Speaking in measured and sober phrases in response to a question as to whether he had anything to say about the United States remaining neutral, Mr. Roosevelt said: "Only this: that I not only sincerely hope so, but I believe we can and that every effort will be made by the administration so to do."

The president emphasized the importance of factual reporting by the press of the entire nation.

Former Correspondent Heads Reno Paper

RENO, (UP)—Alfred G. Hill, publisher, newspaper owner and former press service correspondent, is the new general manager of the Nevada State Journal.

The appointment was announced by McHenry Tichenor, publisher of the Journal.

Hill's newspaper career began in Emporia, Kan. He worked on Topeka and Philadelphia papers and on the staff of the Washington bureau of the United Press. More recently he has been interested in Fremont and Kearney, Neb., newspapers and published the Fort Collins, Colo., Express-Courier and the Wyoming State Tribune at Cheyenne.

Mr. and Mrs. J. H. Mason who came recently from Downville, have leased a portion of ground on Lower Main Street, between Summerfield's Garage and Raley's Market, from J. W. Lee, and are erecting a building about 38 feet by 15 feet, which when finished will be used as a cafe. According to the Masons, the business is to be known as the "Checkerboard" and will be opened for business in the near future.

The son born at Placerville Sanatorium on August 24 to Mr. and Mrs. Idell R. Cheney has been named Glenn Luther Cheney.

Hero Returns

Admiral Harry E. Yarnell greets America with a smile as he arrives in San Francisco from the turbulent Orient where, as commander of the U. S. Asiatic fleet, he won world respect by firm stand against Japan's ultimatum. He returned home, after six years, to retire, passing 64-year age limit in October.

EVACUATION OF PARIS ORDERED; HITLER ANNEXES DANZIG

German Army Advancing In East Prussia; Nazi Leader Informs Mussolini Italian Assistance Not Required At This Time

WARSAW, (UP)—Air raid sirens screamed for the third time at 12:40 p. m. today and 10 minutes later the heavy thud of anti-aircraft guns sounded from the west. The air raiders were not sighted and apparently were driven off.

PLEDGE REPEATED

LONDON, (UP)—Prime Minister Neville Chamberlain told the House of Commons today that Great Britain would fulfill its obligations to Poland without hesitation. Unless Germany withdraws her troops from Polish soil, he said, the British Ambassador to Berlin is under instructions to "ask for his passport."

Poland without hesitation. Unless Germany withdraws her troops from Polish soil, he said, the British Ambassador to Berlin is under instructions to "ask for his passport."

PARIS (UP)—A new order for the evacuation of Paris was issued by the government tonight.

It was announced that special evacuation trains have been departing every few minutes since 3 p. m. This service will continue until midnight Saturday.

The Cabinet ordered general mobilization, placing an army of 6,000,000 into the field.

The mobilization affects army, navy and air force reserves. The first mobilization day will be tomorrow, it was announced.

The government then declared a state of siege throughout France and Algeria.

"A STATE OF WAR" WARSAW (UP)—President Ignacy Moscicki proclaimed a state of war in Poland today after German airplanes had bombed Polish cities, including Warsaw, and German troops had smashed across the frontier from Slovakia to the Baltic. The state of war proclamation was in no wise a declaration of war.

DANZIG CLAIMED BERLIN (UP)—Adolf Hitler annexed Danzig to Germany today and announced to the Reichstag (Continued on page 4)

3 Million Flee Bomb Danger Britain Evacuates Tots, And Cripples From So-Called "Target Areas"

LONDON, (UP)—The army of the helpless also mobilized today.

The vanguard of 3,000,000 persons—the young, the lame, the halt and the blind—streamed out of Britain's cities in one of the great mass movements of history, a flight to "destinations unknown."

Children led the way out of the "target areas" of the cities, areas that would be the first to feel the impact of death from the skies if war comes.

They were told that they were going on a holiday, but mothers won't stand weeping along train tracks as they did today if a boy or a girl is simply going to the country for a holiday. The children knew that this was another kind of holiday—a holiday from death and broken bones and smashed faces.

All over England it was going on. Liverpool and Merseyside sent 200,000 out of range of the death that may come at any time. Two hundred and fifty thousand left Manchester; 130,000 were removed from the Newcastle area; 20,000 from Portsmouth; 50,000 from Hull.

The enormity of the job was indicated by the fact that 700,000 school children must be removed from London alone. All weekend it will go on, and authorities hoped that enemy planes would not darken the London skies before Monday. It will take that long to get the helpless out of death's way.

Four From Forest On Duty In Shasta Fire

Clay Hansen, Jim Hamilton, Bob Flynn and Ralph Webster, of the Eldorado Forest staff, have been on special fire duty during the past week on the Shasta National Forest, it was learned Friday.

There were 62 players who called for their first Golden Bear uniforms Thursday, or slightly more than half as many as the 108 who reported in 1938.

Included in those turning out were Walt Gordon, Jr., Berkeley, quarterback, son of California's first player to be named on an all-American mythical eleven in 1918; Armand Swisher, El Paso, halfback; and Gene Pickett, halfback, who starred for Long Beach Polytechnic high school.

PINO GRANDE NOTES

(Continued from Page 2)

Monday of this week. G. Parker, of Camp 14, took Bill Hanlon into the Placerville Sanatorium on last Saturday. Mr. Hanlon received a number of broken ribs during logging operations the latter part of the week.

Mr. and Mrs. R. Fairbairn left Friday evening for San Francisco to visit the Golden Gate Exposition. They also will visit in Sacramento before returning home.

Mr. Lee Allen, of Sacramento, brother of Mrs. Jerry Potts, spent the weekend with Mrs. Potts and family.

Among those who were here from away to attend the last rites of Mrs. Alma Hamilton were, Mr. and Mrs. B. Walker, of Wilmington; Mrs. Alice Summers, of Orland; D. Grout, of Roseville, and Mr. and Mrs. Howard Nelson, of Angels Camp.

Mrs. S. Balch and daughter, Henrietta, from Oakland, spent the weekend here with Mr. and Mrs. P. I. McNeie and sons.

Mrs. P. Boromini and daughters, have moved down from Pino to get ready for school.

Remember to THINK wooden boxes, TALK wooden boxes and USE wooden boxes.

KELSEY

The El Dorado county residents, who lived in the Kelsey district during the boom days of the Eureka Slate Quarry will be pleased to learn of some of the young people of that day who went east but had a desire to see California again, had the opportunity to take an excursion to the Treasure Island Exposition and took advantage to visit Kelsey. Among others was Mrs. Elsie Merrill Piles, of Portland, Me., a superintendent of schools in that city. Alfred Merrill was bank foreman of the quarry for several years having come from Brownsville, Me., with his four daughters, Dorothy and Ruth, who attended the Slatton school are both teachers in Portland, Me. Another welcome visitor was Sara Rowland Jones, of Helena, Montana, another pupil of the Slatton school, whose father was foreman of the slate sheds. Sara was accompanied by her husband and beautiful and talented daughter.

Miss Mabel Pain, in charge of the English Department in the Willows High School, left for her duties on Friday after a vacation with friends at Kelsey.

Steve Ash, who has been very ill for several months, had a pleasant surprise from his two sisters of Los Angeles, Mrs. Julia Kurlly and Elizabeth Ruske. They had not seen their brother for seventeen years. While it was a happy meeting, it was a very sad farewell to their brother, Steve. Both women were called back to Los Angeles to other

urgent duties. Joe Pacheco and family of Oakland were in Kelsey looking after mining interests.

The Manzanita Mine has been taken over under lease and bond by Los Angeles parties. The Manzanita joins the Kelsey Mine and Big Sandy.

Mrs. Cliff Healy is visiting friends in San Francisco.

SHINGLE SPRINGS

There were a great many from here attended the County fair each day and all report it a great success in every way and by next year it will mean a great spot to El Dorado county and I am sure we shall all be proud of it, also very grateful to all that helped to make it such a great success, and well conducted by the chairman and his helpers.

Mrs. Clarence Scheiber and son, Ernie, have returned home from their summer home at Bijou. Mr. Scheiber remained for a few days to add to the improvement, a new garage.

Mrs. John Miller, Margaret L. Barton and two little granddaughters of Mrs. Miller, Phyllis and home of Mr. Close at Preston School one day last week. Mr. Close was Margaret's teacher and a very close friend.

Several friends gathered at the Miller home one evening last week to enjoy movie scenes of the Islands, also Germany and County views and a few hands of whist was played.

Margaret L. Barton left last Saturday for San Francisco where she will remain to take in the Veterans' Convention of the Claim Department also visit friends until September 7th at which date she will sail for Honolulu on the U. S. Republic.

Mrs. Clarence Sturgess entertained Margaret L. Barton and Mrs. John Miller last Wednesday at her home at Del Paso. Margaret met several of her high school friends and a very pleasant day was spent.

Mrs. Phil Frost spent the day at the Miller home one day last week. Elmore Taylor entertained his father Judge Taylor, his brother Dewey Taylor and wife and Mr. and Mrs. Matlin at Locust Inn last Sunday evening.

Mr. and Mrs. Matlin and Mr. and Mrs. Dewey Taylor took in the ball game at Sacramento on Sunday.

Word has been received by Mrs. Miller that Mrs. Lulu Harvey will spend the weekend with her this week and remain here until Tuesday, from Auburn.

Mrs. Louis Ybright and two sons took in the fair at Treasure Island and enjoyed it a lot.

Mr. and Mrs. Leland Barton spent the afternoon with his mother one day last week from Folsom.

Mrs. Phil Barrett returned home from her son's home, Dr. Louis Barrett of Sacramento.

Sid Grey is now doing some work on the school house to get ready for school to open, putting in new doors and other improvements which we are glad to see done.

GOLD HILL NOTES

Al Smith, of the Thompson Hill Mine, was up from Oakland last Friday. He was accompanied by Don White.

The pear growers in this vicinity have made their last picking and now are hoping their returns from the eastern markets will be satisfactory.

The WPA crew finished work at Marshall Park last Saturday. While there they pulled out the flight of granite steps on the slope leading up to the monument which were built there by the late Phillip Trencher while he was caretaker there in the late '80s, the granite being hewn by Mr. Trencher and his brother Dan from a ledge on the grounds just above the Marshall cabin. These steps have been replaced by a flight of cement steps flanked on both sides with a rock wall.

He is the "protégé" of the late Marshal Joffre, who recognized Gamelin's fine talent for paperwork when he was still a captain. Joffre disliked detail and so it fell to the young soldier to diagram and plot.

HITLER TAKES
DANZIG

(Continued from page one)
that fighting with Poland started
at 5:45 a. m.

"I have told the air force to re-
strict itself to Military objectives,"
he said. "If the enemy does other-
wise he will receive his due answer."

"From now on bomb after bomb
is falling. Who fights with poison
gas will be fought with poison gas."

Hitler named Field Marshal Her-
mann Goering, his right hand man,
to be his successor "if anything
should happen to me in this strug-
gle," and named Rudolph Hess, de-
puty Nazi party leader, his second
heir.

An army communique tonight said
German troops were advancing on
all fronts against Poland.

The communique said there were
hostilities near Graudenz, 18 miles
southwest of Marienwerder, on the
East Prussian frontier below Dan-
zig.

The German troops on the south
front have advanced to a line reach-
ing from Neumarkt to Sucha, the
communique said.

HELP "NOT REQUIRED"
ROME (UP) — Fuehrer Adolf
Hitler today telegraphed Premier
Benito Mussolini that he does not
at this time require Italian military
aid.

He thanked Mussolini for his re-
cent diplomatic and political help.

Receipt of Hitler's wire followed
a meeting of the Italian council of
ministers at which it was decided
that Italy would refrain from taking
any military initiative.

Petty Thieves Loot Bottles
For Children's Milk Fund

Soroptimist Club Members, Resuming Meetings,
Will Obtain Patent Taps For Containers To
Frustrate Those Who Steal From Charity

This week the Soroptimist Club
resumed regular weekly meeting
after a two-months vacation and
suspension of activities.

Meetings are to continue each
Wednesday noon throughout the
fall and winter season at Hotel
Raffles. Sixteen members were pre-
sent out of the club's total of twenty
at the first fall meeting.

Topics of discussion were, re-
sumption of the collections in the
drive for the milk fund, which is
turned over to the Placerville P.
T. A., who have undertaken the
task of seeing that each pupil eat-
ing lunch at the grammar school
gets proper food with at least a
half pint of milk a day, and a
way to insure 100 per cent collec-
tion of all funds left in the bottles
of merchants counters.

Relative to the last topic, it has
been reported to the committee in
charge of milk bottle collection,
that in several instances the bottles
have been robbed of all or part of
the funds, by persons visiting the
stores and shops. In order to guard
against repetition metal tops with a
money slot, have been ordered and
will be installed on the bottles with
wire fasteners holding the tops
rigidly in place. This, it was ex-
plained by members of the club,
will make it exceptionally difficult
for thieves to operate.

During the first two months of

collection, April and May of this
year, the club turned over to the
Parent-Teacher Association \$53.23.
Although there has been consider-
ably less interest in public dona-
tions during the succeeding three
months period, it is hoped that
with the resumption of school and
a greater need for more milk for
under-nourished children, that the
public will become more liberal
minded and leave more pennies,
nickels and dimes in the milk bot-
tles on the counters of Placerville
merchants.

Another worthy project the club
has undertaken, is that of placing
unemployed girls and women in
touch with employers. Those seek-
ing work are asked to leave their
names and addresses together with
qualifications at Wudell's Store.
Employers are urged to use this
free service when in need of help.
According to members several per-
through this agency.

Other business transacted at this
week's meeting included the ap-
pointment of three members on a
nominating committee for selection
of delegates to a regional confer-
ence to be held at Salt Lake City
during the coming year. They are,
Afton Hook, Gladys Gardella and
Patricia Darlington. A new mem-
ber, Maybelle Timm of Kelsey, was
voted into the club.

IRENE DUNNE HEADS CAST IN EMPIRE FILM TO
OPEN SUNDAY; "TORCHY" TALE SATURDAY;
"UNDERCOVER DOCTOR" ENDS TONIGHT

Irene Dunne and Fred MacMur-
ray will be co-starred for the first
time in the Paramount drama, "In-
vitation to Happiness" which opens
on Sunday at the Empire Theatre.
"Invitation to Happiness" is a
human drama that should appeal
to all film-goers for it deals with
the sort of problems that face Mr.
and Mrs. John Doe.

The Saturday show brings Bar-
ton MacLane and Glenda Farrell
in another of the "Torchy" adven-
ture series and this time "Torchy

Runs for Mayor" in which is pre-
sented the MacLane version of a po-
litical aspirant and the Farrell
style of newspaper woman with di-
rection by Ray McCarey.

The Friday program winds up the
two day engagement which opened
Thursday in which Janice Logan is
starred in "Undercover Doctor,"
which is based on the book by G-
Man Chief J. Edgar Hoover, "Per-
sons in Hiding."

The Letter Box

MIS-REPRESENTATION IS
CHARGED TO WARRANT
PLAN PROPONENT

When the Ham 'n' Eggs speaker,
of whom I told you in my previous
letter, had built up his case against
the banks, he told of the new state
banks provided by the proposed
amendment and stated, "When you
get your warrants you can take
them to your state bank and get
United States money for them."

The next day one of the listeners
said, "We are going to cash our
warrants and then we are going
to take a trip."

At the close of this meeting I
went up to this speaker and asked
him to point out the clause in the
bill authorizing these banks to cash
warrants in United States money.
He could not do it, so he said: "The
directors of these banks will pass
rules permitting them to cash the
warrants in United States money."

That is, he was personally declar-
ing the policy of the directors, not
yet appointed, of banks, not yet
created, and presenting it as an es-
tablished fact. How is that for mis-
representation!

I told him these banks cannot pay

cash for these warrants because
they have only twenty millions to
start with; twenty per cent of
which is to be used for equipment,
leaving only sixteen millions per
week so that at the end of one week
all the banks will be broke. Where
then will the money come from to
cash these warrants? His answer
was, "From the same place that
other banks get their money."

"But," I told him, "no business
man with any sense will deposit
money in a bank that uses it to
cash these warrants."

He replied, "Then we will get
some of this free money the other
banks are getting."

This is a sample of the way all
the proponents of this scheme an-
swer questions. One of their lead-
ers told me that Headquarters instruct
their speakers not to answer ques-
tions.

Time after time I have heard this
question asked over the radio and
I asked it once at a public meet-
ing: "If I deposit \$100 dollars in
warrants in a bank and send a
check against the deposit for \$100
to a firm in St. Louis, when that
check comes back to the bank will
it be paid?" They have never an-
swered the question. They always
side-step it by wandering off into a
five or ten minute discussion of
"bank clearances."

Now you know and I know, when
I issue a check against a bank for
\$100 that money must be there or
I go to the penitentiary. They

claiming \$707.89 as owing for sup-
plies furnished by The Texas Com-
pany within the past two years and
know it too, but they will not say
so.

In my next discussion I will take
up the warrants themselves and
show how they will stop every pub-
lic school and every other state ac-
tivity and break every merchant
that exchanges valuable goods for
them.
